ADM-2.5

MEMORANDUM FOR: Assistant Director, OCS
Assistant Director, OEL
Assistant Director, ORD
Assistant Director, OSA
Assistant Director, OSI
Director, FMSAC

SUBJECT: Unfunded Requirements in FY 1964

1. This will acknowledge receipt of the memoranda from the Offices of the DD/S&T in which additional funds have been requested to carry out urgent and priority Office research activities.

2. Within the next 10 days I intend to meet with the DDCI to place before him our over-all requirements for additional FY 1964 funding to finance these proposed research efforts. I intend to make as strong a case as I can but have no assurance that any additional funds will be made available to us this year and certainly not before 15 May, at which time the Directorates may have to declare any anticipated surpluses. Until and if DD/S&T receives additional funds, I can only suggest that each Office Chief make the best use of funds still available to him and search out every way by which he might assist himself through this financial dilemma.
